My dear People of Malaga city, Clara Pardo & Jane,

Loving greetings from Fr.Manu Macwan in the name of Jesus.

This is just to say a very Big Thank you for your Big Support to extend the school for poor tribal children of Jhagadia Mission in Gujarat. Your great sacrifices will bring forth fruits and a broad smile in the life of those children in long run & long future. They & many more students will benefit from this project. Your hard money given with generosity will never be wasted in any way but be of a great use. We are praying daily for you all that good. Lord Jesus may bless you and keep you always in His Love & care. We have already received Euro 35000 as 1st installment of the project and the work is going on swiftly & smoothly. Now the work of plastering is on.

The work is in a full swing as we want to make it of use by September end. The children are so glad to see the work of new class-rooms and Science laboratories for them. It is so great task you have taken up to reach out to us. We will be ever grateful to you for this support of yours. The school is getting a new look and a new shape. We do keep you all in our prayers. Continue to pray for us too & to support our noble task of Educating the poor tribal children.

May God bless each one of you and keep you always in His love & care.  
Keep prying for me & for my Mission.

With blessings & Love.

In Jesus Heart  
Fr.Manu Macwan
